## User Manual

### .Charging

Please charge your sports headset with the included micro USB cable before first use.

### .Pairing

-Turn on the headset: Press and hold the multifunction button for 3 seconds. The blue indicator light will signal Bluetooth pairing mode is active.

-Activate your device's Bluetooth function, search for the headset, and select "ST-Limited" from the list of available Bluetooth devices to pair.

### .Power On/Off

-Power On: Press and hold the multifunction button for 3 seconds.

-Power Off: Press and hold the multifunction button for 3 seconds.

### .Play/Pause

-Tap the multifunction button once to play or pause the music.

### .Volume Adjustment

-Increase Volume: Press the "+" button.

-Decrease Volume: Press the "-" button.

### .Track Navigation

-Next Track: Press the "+" button briefly.

-Previous Track: Press the "-" button briefly.

### .Call Management

-Answer Call: Press the multifunction button once when there is an incoming call.

-End Call: Press the multifunction button once during a call to hang up.

-Redial: Press the multifunction button twice to redial the last number.

### .TF Card Usage

To play music from a TF card: Insert the TF card when the headset is on and not connected to Bluetooth. The music will automatically start playing.

### .Radio Function

To use the radio: Double-click the "+" button to activate the automatic radio search. Manually tune to stations by pressing the multifunction button, then press the button again to confirm your selection once the blue light flashes.
